Experience a once in a lifetime journey across South America with our carefully curated travel itinerary visiting these Iconic UNESCO sites. Sail the Galapagos Islands on a 7-night small ship cruise exploring the wildlife-rich shores. Encounter blue-footed boobies, marine iguanas and penguins with expert naturalist guides. Snorkel the crystal-clear waters, swimming alongside rays, sea lions and turtles. Then immerse yourself in the incredible Incan heartland of Peru, visiting Cusco, the Sacred Valley, and the awe-inspiring Machu Picchu citadel – the lost city of the Incas. To top it off, journey to secluded Easter Island which has, for centuries, captivated visitors and scholars alike due to the squatting bodies and brooding faces of hundreds of stone statues or moai. The whole place has a wild, end-of-the-world feel, and in addition to the enigmatic moai, you'll find a one-of-a-kind island culture and volcanic scenery.
